President Ian Barnett

Another week has flown by bringing us closer to two more major events for our club. The Nurture Festival is only two weeks away with the setup occurring on Friday 4th October and the festival happening on the 5th October. The times and number of people required for the setup is still being determined and the roster will be added to our website when it becomes available.

“Nurture Festival is back, and this year’s event promises to be bigger and better than ever, with an array of activities and community partnerships designed to foster youth mental wellness.

This FREE event is taking place on Saturday, October 5, 2024, on the beautiful Sunshine Coast. This year we are proud to announce its collaboration with the Mooloolaba Rotary Club, who will be presenting their renowned ‘Lift the Lid Walk for Mental Health’ on Sunday October 13th.

**We’re busy working away on another incredible line-up. Check back for more soon!

A special thanks is due to our members for their patience in dealing with the members only website which is still suffering problems due to delays in transferring its security certificate to the new site. In the meantime members can use

Only members can log into this site.

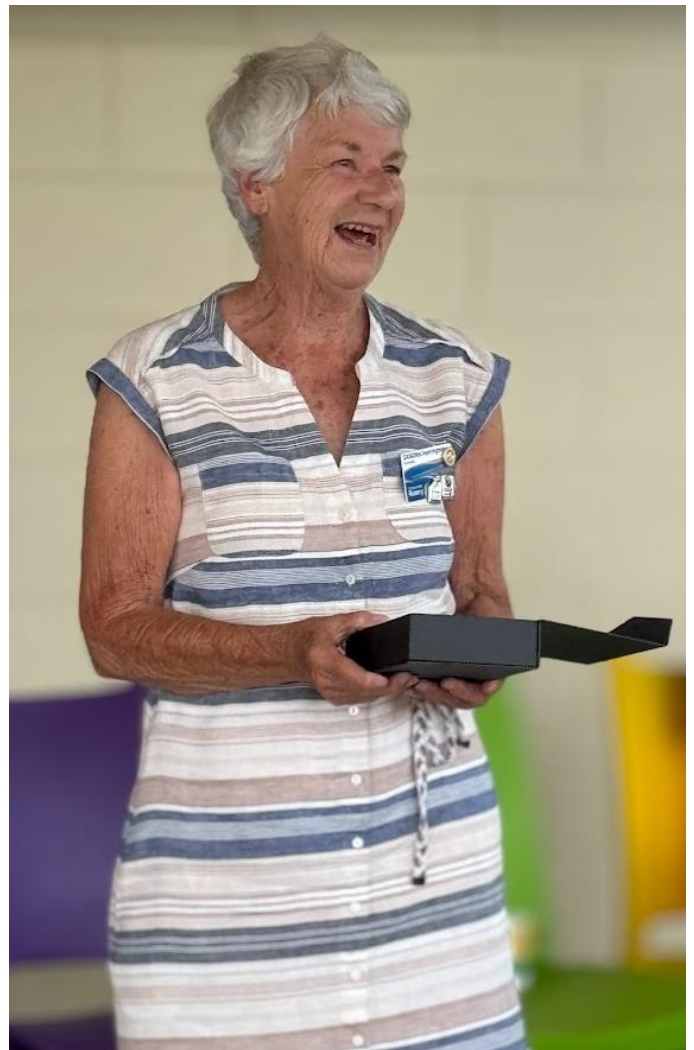

Have a great week and hopefully the members website will be working properly soon!

Member Recognised for contribution to Youth Road Safety Education.

At a recent RYDA event, Sandra Harrington was recognised for the contribution she has made to the youth road safety campaign and was presented with the BOAC Champion Award.

From the first time Sandra attended a RYDA workshop she was impressed with the program and its value in preparing young drivers. Sandra decided then it should be a program accessible to all young people and should be recognised as an important part of their senior studies. She therefore assisted Road Safety Education Ltd in preparing an application for recognition with the Queensland Curriculum and Assessment Authority.

Our Guest Speaker

How good to have District Chair of Inner Wheel District A77, Leanne Ballinger, as our guest speaker at last week's meeting.

Inner Wheel is the largest international women's volunteer organisation in the world, with over a hundred and four thousand members. It is a friendship club based on service to the community, nationally and internationally.

Leanne spoke on Inner Wheel's long-term donations for stem cell research, which has amounted to over \$3.7 million since 2002. This has resulted in sixty-two research grants being given out for the continuation of vital Cord Blood and Stem Cell Research.

Leanne has nominated [DV Safe Phone](#) as her charity for Inner Wheel to support this year and requested that Mooloolaba Rotary Club members donate any old phones they may have, which will be refurbished and provided to domestic violence survivors.

Also, Leanne's home club, the Inner Wheel Club of Sunshine Coast, is holding a 'Two for Ten Walk' on Sunday September 29th, 2024, in support of Cord Blood Research, if Mooloolaba Rotary members would like to participate.
